Sir, i have completed the degree in regular mode but off campus where we had to maintain the attendance of above 80 percent otherwise we were not allowed to sit in the examination. But i know this is a theoretical statement not a practical one to believe in. Therefore the important thing is that even if it considered as off campus degree, i have completed my degree in Session Sept. 2004 to Sept. 2006 where there is the J&K Government order which says these degrees to be considered valid if started before 2005. My few colleagues got selected as assistant professors as well through PSC. More details in the order sir and the relevant one is at point number 4. Here is the order sir.</p> <p>http://www.jkhighereducation.nic.in/pdf/GOVT-ORDERS/252HE2012.pdf.</p> <p>Sir, I have got around 8 years of experience in national and international organisations on different profiles handling project management. 5	Zamir ahmad wani S/o Gh nabi Wani	<p>I am a candidate applied for the post of MD/JKSRLM/06/2014 Dated: - 29/06/2016 Serial No. 62 in Block Programme Manager.</p> <p>Sir Kindly pay attention to some facts</p> <ol style="list-style-type: none"> 1. That I am an Mba in Marketing & having Post Graduate Diploma in Rural Development. 2. That I am working in the Rural Development Department as contractual in Rural Livelihood Scheme since year 2013 and still working. 3. That I have recently passed My Master in Rural Development also. 4. That I have two Research Projects on MGNREGA & Rural Livelihood in district Ganderbal and MGNREGA and convergence with line departments in Jammu and Kashmir State. 5. That I am first class candidate for the said post. 6. That I have also a good knowledge of computers as well. <p>Sir I have applied so many times for various advertisements in the Daily news papers. for the post of Block programme Officer in Advertisement No: MD/JKSRLM/06/2013 Dated:- 19/2/2014 and 21/09/2013 in the said shortlist i have asked that i have no sufficient experience and hence dropped from the list two times repeatedly. Sir i waited for the long time and Achieve the full five years experience but unfortunately today i find also in the Ineligible list as the reason is i have not relevant experience. i am fail to understand that why the umeed authority is playing with the carrier by providing the wrong information or false information. Which destroys the carrier of deserving candidates?</p> <p>Sir i am well versed with the last selected candidate few of them are my class mates who have Real estate experience or managed to get false experience from Ngo's of some were else and they get selected in the Umeed. I have also observed that some candidates are having no certificates attached with the form and still they are shortlisted like in the Serial No.57 Name Mohd. Muzamil Farooq , 52 Gazi Rayees Ahmad, 66 Bilal Ul Rehman and so many others whose name are highlighted with yellow color in the shortlist attached with this mail. I fail to understand why they have been shortlisted when they have not cleared all formalities now they can manage experience certificates from any were as they have got a huge time to make it from illegal means. In the time of form submission they were not having the certificates it means clearly they are not eligible at any cost.</p> <p>It is very unfortunate that the deserving candidates are not giving chance as they have real Rural development experience and those who are managing false and baseless experience from corrupted Ngo's</p>	Your application form was re-examined in light of objection raised. Your candidature has been accepted provisionally. You are advised to bring bona-fide documents at the time of interview.

		<p>with the help of financial help are getting selected. Sir I know many of the candidates personally. Sir also I want to draw your kind attention that I have been shortlisted for the post of Programme Executive job code 108 My Serial No. 104 unfortunately no selection has made till that, Allah knows the reasons why they have not taken the interview for that. Sir I have applied for this post two times and both the times interview not conducted and this is my third time I have been not shortlist. I want to know why this injustice with poor candidates. Sir I am requesting to reply me on the same mail before 6th of feb. So that I can take legal or other help to come forth the real truth behind the unfair selection of candidates in the department.</p>	
6	EKHLAK AHMAD DAR BPM	<p>I humbly request that I have applied for block programme manager post of JKSRLM. My experience is shown as 54 months but besides that I have also nine months of experience from 03-01-2010 TO 09-09-2010 at MIR & ASSOCIATES. So, my total experience becomes 63 months, because your esteemed organisation has requirement of 60 month.</p> <p>So, I request your honour to consider my remaining experience regarding this post.</p>	<p>As per the details filled up by you under the relevant columns of professional experience, you have indicated an experience of 54 months which is insufficient to be considered for the post of BPM as advertised. There is no mention of other experience in the application form.</p>
7	Sakleen Majeed Dar BPM	<p>I read your notice no. MD/JKSRLM/06/2014-Part-I, and also the list of eligible and ineligible candidates for the post of Block Programme Manager (Advertisement no. MD/JKSRLM/06/2014-I dated 29.06.2016) wherein I found my name among the ineligible ones.</p> <p>I hereby send you my objections to the said scrutiny. The objections are that you have shown 52 months as my experience but I do have more than 60 months (5 years) reason being my MBA degree is less theoretical and more practically and industrial oriented. I was allowed to do the job during degree. I was hired on campus by ICICI Securities even in my 3rd semester as Management Trainee.</p> <p>That my degree is an Industry integrated one so I have been in many industries especially service industries and yours is also a service industry.</p> <p>That I have been working in a Centrally sponsored mission like yours namely National Health Mission and I am still working with mission as DEIC cum District Programme Manager (RBSK).</p> <p>When hired by ICICI (On campus placement organised by my University), I was hired in my initial months of second year and they hired me as MBA Qualified reason being my Service and practical oriented degree.</p> <p>When hired by NHM, I was hired on the same ground even though there too the eligibility was post qualification experience of 3 years. So I was hired purely on the basis of my practical oriented and Industry integrated MBA.</p> <p>I want to touch as many lives as possible that is why I am desperate in being working with your Mission. So I do have an experience of more than 5 years.</p> <p>I can provide you with original documents at the time of Interview to prove above objections.</p> <p>If I can provide you with any further information about my background and qualification, please let me know.</p>	<p>The experience of a candidate is quantified post qualification. The application form reveals that you have completed your MBA in 2013, hence ineligible for want of sufficient experience.</p>
8	Ishrat Amin Bhat BPM	<p>Regarding the subject cited above, the list of eligible and ineligible candidates for the position of Block Programme Manager wherein the eligibility criteria was PG and 5 Years of experience, but some candidates have been shortlisted with an experience less by few months for 5 years (sr. no. 76 for reference). But to my surprise I am also having the experience less by 3 months only till August 2016. But against my name it has been mentioned that there is insufficient experience.</p> <p>Sir, Your good self is requested to kindly include me in the eligible candidates list by considering 3 months as I have more than 5 years of experience now and provide me a chance to prove my ability. I will be highly grateful.</p> <p>Thanking you in anticipation</p>	<p>Your application form was re-examined in light of objection raised. Your candidature has been accepted provisionally. You are advised to bring bona-fide documents at the time of interview.</p>
