As I understand the required qualification for the post is MBA. Hence I would like to clear that my Post Graduate Diploma which i have done from Bharti Vidyapeeth University (pune), which is a Deemed and an Autonomous University), and completed in the year 2009, was a 2 year duration course. it was a regular (and not correspondence) course. Hence it is considered equivalent to MBA pertaining to its course structure and duration. Hoping to find your reply soon.	On examining of your objection, your both the applications were scrutinized. It was found that as per the details filled in the application form for the post of DPM the total experience equals to 44 months and 19 days as per the certificates attached by you. While as in the BPM application form your total experience equals to 64 months. However, after checking the certificates you have attached with the application forms it was found that your actual experience equals to 44 months and 19 days only. It is pertinent to mention that you made gross violation by misleading the JKSRLM by attaching the experience certificates <u>which clearly indicates that you were working for two organization simultaneously</u> for at least one and a half month besides you have not sufficient experience as required for these posts and hence you are considered ineligible for the post of DPM/BPM.
25	Gowsia Shabir.	61/81	DPM/BPM	I request you to please consider me also in the interview list as I had a rich experience of 12 years and I want to utilize this for the upliftment o society by giving a thought to my experiences in a way of medium through SRLM. On examining your objection. Since you don't possess the prescribed qualification for the posts, you are considered ineligible for the post of DPM/BPM.
28	Wani Farhat	N.A.	DPM	Sir, this is in reference to the published list of eligible candidates for the post of DPM SRLM where to my surprise I found some of my batch mates on the list of eligible candidates for the said post on the basis of MSW Degree completed in the year 2014 and I myself was considered ineligible even for submitting the form at the scheduled time of date of submission for the post citing my "No Experience" as the basis for not even accepting my form at that time. Moreover you have not filled up the experience details in the application form.

On examination of your objections. It is strange that you have not gone through the advertisement notice where it is clearly mentioned that the qualification required for both the post is MBA and not PGDRD. Then how you supposed that it should be written when it is not required.

46	Hatib Baba		DPM	as per the notification the eligibility for the position of DPM was a five year experience and as per my credentials I was supposed to be eligible, however my name reflects in the category of ineligible candidates. My experience ranges from Procurements and logistics to the high end project and programme management with a proper certification from a very reputed project management institute. It would be highly appreciated if your department reviews my application.	On re-examining your objection it was found as per the details filed by you have only 51 months of experience. Further you have mentioned experience from August 2012 to August 2014 as resource person in ICT but the document attached by you reveals only the date of entry and not the closing date, by which the total months of experience can not be calculated. Hence you are considered ineligible for post of DPM/BPM.
