<p>10 shafiq gul</p>	<p>Block Manager - Skills and Placement</p>	<p>I have a request to make regarding the list of eligible and ineligible candidates for the above mentioned positions. I would like to present my case below: I do not have any objections as such regarding the list but I would like to extend my request if there is any possibility of reconsidering my case. I had not been shortlisted as the eligible candidate. The remarks provided however are genuine. The required post qualification working experience needs to be 60 months. In my case, I possess the relevant experience of 59 months. Considering the opportunities of employment in Kashmir, which are very scarce, I consider this chance as golden opportunity. Just mere deficiency of one month of post qualification experience is not worth to disapprove me, considering the implications it would incur in coming times. Keeping in view the employment opportunities, age and other social obligations I may be given a chance. In this regard, I humbly request your good self if you could please give relaxation purely on humanitarian grounds, that surely will prove beneficial to my career at this crucial juncture. That will be very kind of you</p>	<p>On examining your application form it was found that you don't possess the sufficient post qualification experience. Hence you are not eligible for the post</p>
